1. From New York City and Points East

Take Lincoln Tunnel to New Jersey Turnpike South. With light traffic, the drive should take 45 minutes from the Lincoln Tunnel. Go 8 miles to Exit 14 (Newark Airport). *Pay toll, then take Interstate Rt. 78 West (towards Clinton) for 9.2 miles. Be sure to stay in "local lanes" of Interstate Rt. 78. Bear right to Rt. 24 (Morristown), exit 48. Go approx. 2 miles to the third Summit exit (Summit Avenue-Exit 8). Exit right, then turn left, crossing back over Rt. 24. *Continue about 1 mile along Summit Avenue to DeForest Avenue. Turn right. **There are three municipal parking lots on De Forest, one on each of the first three blocks on your left. You are more likely to find parking in the second or third lot. Once you have parked, go through the lot to Springfield Avenue. Number 382 is across the street on the south side between Beechwood Road and Maple Street. Point View is on the second floor in Suite 208.

2. From Morristown and Points West

Going east on Route 24, take second Summit exit (Summit Avenue). At end of exit ramp, turn right onto Summit Avenue. Continue from * above.

3. From Clinton and Points Southwest

Coming from the West on Route 78, take exit 45. At the light at the top of the ramp, turn left onto Glenside. Follow Glenside until it dead ends at a T intersection with Baltusrol Road (there is no light here). Turn left onto Baltusrol, then take another, immediate left (also no light) onto Morris Avenue. Take Morris to the first light, at Summit Avenue. Turn right onto Summit Avenue. Stay on Summit past one light, over the railroad tracks, and through a second light (the second light is Springfield Avenue). Once past Springfield Avenue, take the next left at the third light onto De Forest. Continue from ** in the first section: "**1. From New York City and Points East.**"

4. From New Brunswick and Points South

Get off the New Jersey Turnpike at exit 11; stay right for the Garden State Parkway. Take the Garden State heading north. At the first toll plaza (exit 142), use the far right tolls so you will funnel onto Route 78. It funnels you heading east; take the first exit and cloverleaf back so you are heading west on Route 78.
